

LAMPAG Accounts – 1st January 2024 – 31st December 2024

The Treasurer's Report

During this financial year, 50 members contributed towards LAMPAG's membership. Unfortunately we incurred a £5 fee from the Post Office due to an unstamped postage, resulting in only a total fee income of £495.

Membership & membership contributions:

We currently have over 100 members listed on our records. However, only 50 members contributed towards our fee income this financial year (2024) and 62 members contributed last year (2023). Thus the total number of members who contributed, fell by 12 this financial year. We warmly welcome five new members who joined LAMPAG during the year.

We remember with fondness and gratitude the members who sadly passed away. We also remember them for their commitment and support towards the work of this organisation. May they Rest in Peace.

Membership fees have remained low at only £10 per annum. This amounts to paying only 83pence per month for each member which is less than a pound per month. This contribution is not sustainable going forward and we would welcome your thoughts on how we raise more income for the future running of this organisation.

We thank all the members who contributed this financial year. We also want to acknowledge with special thanks to the eight members who gave donations over and above their annual fees. Their total donations amounts to £127. In addition to this, Ellen received £100 donation from a generous supporter who she met whilst on holiday abroad last year January 2024. All these donations have benefitted the organisation greatly.

We wish to thank you all for your support during the last year. We are not only grateful for monetary contributions of all our members/non-members but are grateful for those who give their time voluntarily towards our various activities. Your efforts have made a significant difference. Even though membership numbers have fallen due to various reasons, we appreciate the continued support and engagement of our remaining members. We are confident that we can grow our membership once again. That said, in order to grow the membership we need everyone to spread the word and invite friends, neighbours and families to join our organisation to make a difference.

LAMPAG's Financial Position - 1st January 2024 – 31st December 2024
